

# FOOD FUN PATCH

1. Hold a no bake food night. You decide what to do with the food.
2. Collect tips on etiquette for meal times. Design your own etiquette book for the Patrol.
3. Have a cooking night at someone's home or the hall. Following local food regulations, organise a stall and decide what to do with the funds.
4. Make pancakes and have a pancake tossing race. Challenge another patrol.
5. Find out as many ways as possible of preparing potatoes!! Compile a potato recipe book. How many recipes can you find 20, 30, 40 or more?

6. Make Banana Splits on an open fire.
7. Have a Patrol meal. Each member of the Patrol has to bring something to share. Maybe extend this and do it with the whole Unit.
8. Make a "garbage-less" lunch. Consider not only what you are going to eat but also how you are going to pack it.
9. Cook a meal outdoors for your Patrol.
