ABOUT SANGAM

Sangam, the youngest of the four world centres of the World Association of Girl Guides and Girl Scouts (WAGGGS), is a place where the world comes together under one roof to find friendship and peace in a safe, neutral environment.

Events at Sangam are open to all members of Guiding & Scouting, women and men, their families and friends (18 years and under must be accompanied by an adult). At Sangam you will find WAGGGS in action: events designed with a dynamic program centred around WAGGGS goals, especially to provide education for a changing world and to promote the advancement of girls and young women.

Sangam supports United Nations initiatives, including promoting UN years and striving to work for peace. India is an excellent venue to discuss and experience some of the worlds most pressing issues, and tackle them head on.

But all that we do at Sangam cannot be done alone. We need your support. Please become a friend today!
