

What is Olave?

Olave participants are young women in Guiding aged between 18-29 that wish to network with like minded young women to enable them to make a greater difference to Guiding and their Local/State/National/International Community through service activities.

Olave participants strive to support each other in succeeding in self development to become confident, self-respecting, responsible community members. Olave participants are also able to participate in the fantastic event, training and international opportunities made available by Girl Guides Victoria, Girl Guides Australia and The World Association of Girl Guides and Girl Scouts.

The Olave Program aims to facilitate personal challenges through a flexible network, with a particular focus on service. It provides a voice for the young women of Guiding. As Olave participants, we seek to challenge ourselves under the areas of the Olave Program Framework and can choose to complete awards under the Olave Award Structure.

The Olave Program encourages us to:

1. Show our commitment to Guiding through the Promise and Law
2. Support our Community through voluntary service to Guiding and the wider world
3. Celebrate and develop a deeper understanding of Guiding through Heritage and Traditions
4. Foster cultural acceptance and strengthen global links through experiencing International Guiding
5. Support, encourage and learn from each other through social networks
6. Grow as individuals through pursuing opportunities for Self Development

Olave participants have many opportunities to represent Guiding and young women locally, nationally and internationally through positions on committees, at events and volunteering.

If you think your up for the challenge or know someone who is contact olave@guidesvic.org.au

Member Olave Registration

Are you a GGV Member aged 18 - 29 years and would like to register as an Olave participant?

Name: _____

Member ID: _____ Email: _____

I would like to register as an Individual Olave
