Fun Guiding songs

Sisters in Guiding

I haven't met you personally,
But one glance confirms a friend I see;
For behind the trefoil and the smiles,
Lies strong ideals linking hearts and minds,
That banish time and miles.

Chorus:

You are my sister in Guiding,
You're a friend I can confide in,
No matter if you're a different race,
Young or old, from some far place,
As sisters in Guiding we share a secret drive,
To make this world a better place in which to be alive.

From around the world we throng,
Eight million people can't be wrong,
Guides are found in many lands,
You're never far from a friendly smile
And willing, lending hands.

So we travel on together
Through the bright and stormy weather,
Striding forth in work and game,
We are joined by the Guiding spirit,
The world is ne'er the same.

The Twelve Days of Guide Camp

be careful of poison ivy." etc etc...

3rd day "Don't chew gum"

4th "Don't throw up!"

5th "Where's your hat?"

6th "Time for inspection."

7th "Take out the garbage."

8th "Eat your oatmeal."

9th "Where's my repellent?"

10th "Drop that snake."

11th "Not another seance."

12th "Where are your parents?"

It's a Small World (With Guiding verses)

It's a world of laughter, a world of tears
It's a world of hopes and a world of fears
There's so much that we share
That it's time we're aware
It's a small world after all

Chorus:

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

There is just one moon and one golden sun
And a smile means friendship to everyone
Though the mountains divide
And the oceans are wide
It's a small world after all

It's a world of Guiding, a world of fun
It's a world of aims, but we work as one
There's so much that we share
That it's time we're aware
It's a small world after all.

You can go to China or go to Spain
And the Guiding Handshake will be the same
We have friends in Japan,
Mexico, Pakistan,
It's a small world after all.

How we live our lives we must each decide,
Every Guide & Ranger & Brownie Guide
Throughout Guiding we find,
Both in body & mind
It's a small world after all

Buy Some Bickies (to the tune of "Pop Goes The Weasel")

Up and down the neighborhood streets
Girl Guides sell their biscuits
Ringing doorbells, asking you please
Please buy some bickies!
