

TRIPLE TREAT BADGE

Here is a fantastic way to encourage Girl Guides to introduce their friends into Guiding and help increase membership. The Triple Treat badge, which can be worn on the sash, is awarded to Guides when they invite a friend to their Unit and the friend decides to become a member. There are three parts to the Triple Treat Badge.

PART ONE – THE PURPLE ICE-CREAM AND CONE

When a Guide introduces a friend who then joins Girl Guides Victoria, she will receive the purple ice-cream and cone.

PART TWO - THE EXTRA SCOOPS

Each time a Girl Guide introduces another new friend who joins, she will receive another 'scoop' of ice-cream.

PART THREE – THE PINK ICE-CREAM AND CONE

When a girl is introduced by her friend and then joins Girl Guides Victoria, she will receive the pink ice-cream and cone.

The scoops of ice-cream come in three colours. The first scoop is purple and comes on the cone. This scoop is received when the first new girl is introduced.

The second scoop is green and is for the second new girl introduced, and the third scoop is blue and is for the third new girl introduced. A separate purple scoop is also available so Girl Guides can start the cycle all over again.

Guides don't have to stop at three scoops and are encouraged to continue to build on their ice-cream. The new members can also invite someone to join and build themselves a Triple Treat Badge.

HOW TO APPLY FOR THE BADGES

The badges are free. Leaders are to complete the form below, and the badges will be given out when the new girl's membership fee is received. If badges are to be posted, please either include a stamped self-addressed envelope or indicate how postage is to be paid for.
